Shenzhen ColorL Cosmetic Products Co.,Ltd was established in 2010, integrating development and sales together. Our main products include **makeup brush, makeup bag, beauty sponge blender, makeup tools**, and other related products. We supply brushes to our clients in the oversea market. With **120 employees** in our factory, through the efforts of our staff, we have become a well known and reliable makeup brush manufacturer. With **skilled workmanships**, only utilizing environmentally **friendly materials**, implementing a **full stage quality control** over the manufacturing, we have continuously tried our best to guarantee excellent product quality. With the professional **designer team**, we monthly launch out 20 new models of makeup brushes closely following the trend of fashion. We are able to provide a great variety of models for your customization, and also offer **OEM and ODM service**. Our sales team will closely track every single progress of every order, follow up any of our customer' s feedback and suggestion after delivery, and keep in touch with customers and help solve any issues. COLORL corporation has been devoting itself to bring satisfaction to its clients. We **hope to cooperate with you** for mutual benefits and create our bright future together.
